

## Home Loan Partnership

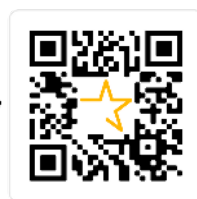

While your dough is proofing for the next pizza why not use that time to call Homestar Finance to assist you in making sure your dough goes further with your current or future home loan.

With personalised service and a smoother, faster application process, Homestar Finance reduce the hassle that comes with the money side of home ownership while our competitive home loan rates help make Australian home ownership more affordable.

### Who is Homestar Finance?

- Since 2004, Homestar Finance has been providing Australians with competitive and customer-focused home loan solutions
- We are one of Australia's original Online Lenders
- Backed by the best! Our parent company is ColCap (Columbus Capital Pty Ltd)
- Established in 2006, ColCap is a leading privately owned non-bank lender offering a range of innovative lending solutions through wholesale, retail and broker distribution channels
- Our dedicated team of loan specialists take the time to get to know you so we can offer every one of our customers personalised service – making it easy to find a home loan that's right for you.

Great rates.  
Great service.  
Where  
customers  
feel at home.
