Rates are subject to change without notice. Existing borrowers may have different interest rates which are dependent on the rate offered to the borrower at the date when a home loan settled and any reductions or increases the lender decided to make on the existing loan over time. Accordingly, there is not one standard variable rate that applies to all Homestar home loans and existing customers can confirm their current rate(s) by logging in to internet banking or by contacting customer service. Terms, conditions, and eligibility criteria apply. Comparison rates are based on a basic Homestar loan, on a \$150,000 loan amount over 25 years. WARNING: This comparison rate is true only for the examples given and may not include all fees and charges. Different terms, fees or other loan amounts might result in a different comparison rate.

a Third party cost(s) incurred by service provider(s) are payable and may vary or increase depending on the service provider, nature of the service and request. Any additional cost(s) are passed on directly to the applicants(s). If there is a variation or an increase, a separate quote will be provided.
4 Discharge fee is waived if loan reaches full term as per the loan agreement.
5 Any additional cost(s) or properties greater than \$1m in value may incur additional costs.
6 Interest rate loading of 0.50% applies for commercial property.
