1 Rates shown apply to new eligible applications for Star Nova Owner Occupied or Investment home loans only, at the LVR indicated, loan amounts up to $3,500,000 and at least one applicant is on PAYG employment. Rates are subject to change without notice. Existing borrowers may have different interest rates which are dependent on the rate offered to the borrower at the date when a home loan settled and any reductions or increases the lender decided to make on the existing loan over time. Accordingly, there is not one standard variable rate that applies to all Homestar home loans and existing customers can confirm their current rate(s) by logging in to our online Internet Access portal or by contacting customer service. Terms, conditions, and eligibility criteria apply.

2 Comparison rates are based on a basic Homestar loan, on a $150,000 loan amount over 25 years. WARNING: This comparison rate is true only for the examples given and may not include all fees and charges. Different terms, fees or other loan amounts might result in a different comparison rate.

3 Third party costs reasonably incurred in providing this service may include legal, custodian, mortgage management, land registry and electronic processing fees. These costs may vary and are payable by the applicant.

4 Discharge administration fee is waived if loan reaches full term as per the loan agreement.

5 Valuation costs covered up to $400. Any additional valuation costs payable at settlement.

6 An Account Variation fee may apply when changes are made to your loan account or its features (such as repayment frequency, loan structure, or linked accounts). Any applicable fees will be disclosed before the change is processed.

7 A Loan Facility Variation fee may apply if you request changes to your loan that alter its structure, terms, or risk profile. This can include changes such as increasing your loan amount, extending your loan term, adding or removing borrowers, or substituting the security property. These types of changes may require a reassessment of your loan. Any applicable fees will be disclosed to you before the variation is completed.

Other fees and charges may apply.
